## 2023-24 Course Request Form

### Rising 12<sup>th</sup> Grade-Class of 2025

**Course requests are due via PowerSchool–3/5/24 (online portal will close)**

Think about your post-secondary plans and keep these in mind when selecting your classes: colleges/universities want to see you continuing to challenge yourself even if you have met your MSHS graduation requirements. See your Counselor if you have any questions. \*Courses chosen are requests–your schedule will be built around your requests–this does not guarantee placement. All students planning on attending a 2 or 4 yr. college, should plan on taking math and science their Senior Year. All courses are **1 year in length and cannot be changed at semester** unless under recommendation of the Intervention team (See handbook for info related to “SCHEDULE PLANNING” for deadlines for Withdraw/Withdraw Fail and CTE policies).

**\*\*Talk to your current teachers about recommendations for which course you should enroll in for each subject\*\***
